Additional Comments

- Session was very disorganized. If the speakers and conference organizers can agree on the basics I could recommend the session and conference to co-workers.
- The room we were in was freezing! Great overall session!
- Loved the presentation. The panelists answered all of my questions.
- The speakers were very good.
- This is the most informative session! The material covered will really help me in my everyday job!
- I would prefer a speaker that spoke better English!
- Room was too dark
- Handouts would be better in color
- Thanks for a great session and overall time at the conference!
- I enjoyed this session very much!
